

### Web Site Disclaimer

*Your health is your responsibility. Your use of the information contained herein is your choice and will be at your own risk. You as a user of the Center for Orthopaedic & Sports Medicine website agree that neither the author nor the website assume any liability for the use or misuse of information contained in this site. You also agree that the information contained herein is provided as is, with no warranties and may not be complete or correct. The information contained on the Center for Orthopaedic & Sports Medicine website is not intended to replace medical advice or substitute a physician. Specific medical advice from a licensed health-care professional should be obtained before undertaking any fitness program or exercise. Consult your physician before you begin using any new exercise program.*

### Medical Disclaimer

*Before beginning any exercise program, always discuss the program with your physician and follow your physician's advice. This information is not designated to replace a physician's independent judgment about the appropriateness or risks of engaging in an exercise program.*

### Links Disclaimer

*The Center for Orthopaedics & Sports Medicine website may contain hypertext links to other sites on the Internet. The Center for Orthopaedics & Sports Medicine is not responsible for the content, quality, or accuracy of any off-site materials referenced or linked through the website. By using the Center for Orthopaedics & Sports Medicine website, the user acknowledges and accepts that the Center for Orthopaedics & Sports Medicine is not responsible for any materials stored on other Internet sites, nor it is liable for any inaccurate, defamatory, offensive, or illegal materials found on other Internet sites, and that the risk of injury from viewing, hearing, downloading, or storing such materials rests entirely with the user. Links from the Center for Orthopaedics & Sports Medicine website to other sites on the Internet do not constitute an endorsement. These links are provided for informational purposes only. It is the responsibility of the user to evaluate the content, quality, and accuracy of materials or information obtained from other sites.*
